- **How to Change**: Simply send us a message via WhatsApp or call our support line as early as possible to adjust your booking.

3. Lost / Damaged-Item Policy

We treat every garment with the utmost care, following all manufacturer care labels. In the rare event that an item is lost or damaged, our process is designed to be fair and transparent:

- **Reporting Window**: Any claims regarding missing or damaged items must be reported within **48 hours** of your delivery. Please inspect your garments promptly upon receipt.
- **Investigation**: To file a claim, please send photos of the damage along with your order number via WhatsApp or email. Our team will review the garment's condition, care label, and processing history.
- **Compensation**: If the damage is determined to be a direct result of our laundering process, compensation will be assessed based on the fair market value of the item (taking into account depreciation), up to a maximum limit of **10x the cost of cleaning that specific item**.
- **Exclusions**: We cannot assume responsibility for items with weakened fabric due to age or wear, items missing care labels, or items left in pockets (such as pens, tissues, or hard objects) that cause damage during the wash.

4. Unclaimed Orders Policy

2ND WAVE LAUNDRY

To help us manage our storage space efficiently and continue providing prompt service to all customers, we enforce a holding limit for finished laundry:

- **Storage Window**: Completed orders must be picked up or scheduled for delivery within **30 days** of the notification date.
- **Unclaimed Items**: Any items left uncollected after 30 days despite reminder notices sent via WhatsApp, phone, or email will be considered abandoned.
- **Donation to Charity**: To manage storage space, abandoned garments and laundry will be donated to local charitable organizations after the 30-day window has passed. We cannot accept liability for items donated under this policy.
